Region of Waterloo

Provide Your Input!

The Region of Waterloo requests your input on the questions listed in this Comment Sheet. All comments and information collected during this consultation centre will be considered as part of the Rapid Transit Environmental Assessment. For more information, several displays and handouts are available at each Public Consultation Centre. Public Consultation Centre information is also posted on the Rapid Transit website for your review at www.region.waterloo.on.ca/transitea.

Please return this Comment Sheet by January 31, 2008.

What Happens Next?

The Region's consultants will take your comments into consideration during the formation and evaluation of the Rapid Transit system alternatives that will be completed in Phase 2, Step 3. These system alternatives will be assessed in the coming months, and presented to the public in Spring 2008.

How Do I Stay Informed?

Public consultation is a critical and ongoing part of the Environmental Assessment (EA) process. The approved Terms of Reference, Phase 1 Report, Phase 2 evaluation results and a summary of all public input to date are available on the Region's website at: www.region.waterloo.on.ca/transitea along with other information related to the EA. The website will be updated regularly with information and notice of future public consultation events. If you would like to be added to the project mailing list, please go to the website and use the Sign Up feature, or provide your name, postal address, e-mail address and any group affiliation to:
