**Stage 2 ION: LRT from Kitchener to Cambridge**

In June 2011, Region of Waterloo Council approved a staged approach to light rail transit (LRT). Stage 1 ION (currently in testing phase) includes LRT from Kitchener to Waterloo and bus rapid transit (BRT) between Cambridge and Kitchener (launched in September 2015). Stage 2 ION will see BRT replaced by LRT.

Public Consultation Centre No.2 (PCC No.2) introduced the preliminary preferred route to the public. During, and after, PCC No. 2 we received many comments from the public, including a number of suggested alternative routes. The Region will be further considering localized route alternatives and refinements to the preliminary preferred route within the areas shown below (dashed boxes):

The potential alternative routes will be presented to the public at an upcoming Public Consultation Centre. Please join us at one of the following Public Consultations to provide feedback on the route alternatives under consideration:

Date	Time	Location
November 21, 2017	2-8 p.m.	Cambridge City Hall – Bowman Room 50 Dickson Street, Cambridge
November 28, 2017	4-8 p.m.	Preston Memorial Auditorium, 1458 Hamilton Street, Cambridge
January 16, 2018	4 – 8 p.m.	Lions Arena 20 Rittenhouse Road, Kitchener

After evaluating the potential route alternatives the results and the preferred routes will be presented to the public at another Public Consultation Centre (PCC No. 4).

The environmental impact of this transit project will be assessed in accordance with the Transit Project Assessment (TPA) Process as outlined in Ontario Regulation 231/08. As part of the TPA, an Environmental Project Report will be prepared and will be available for public review in 2017. All information on Stage 2 ION is available at [www.stage2ION.ca](http://www.stage2ION.ca), and from the Region’s Administrative Headquarters located at 150 Frederick Street, Kitchener.

Under the *Freedom of Information and Protection of Privacy Act* and the *Environmental Assessment Act*, unless otherwise stated in the submission, any personal information such as name, address,

telephone number and property location included in a submission will become part of the public record files for this matter and will be released, if requested, to any person.
